

Event Management Services

Save time, energy, and budget when planning your next event. Rebound's event experts, all with 5-star ratings, can help you successfully plan and execute your presence at industry events, manage internal meetings end-to-end, and produce high-impact customer-hosted events and webinars.

WHAT WE OFFER

Break through the noise. We expertly manage all aspects of industry conferences, sales kickoffs, executive roundtables, and virtual events, sparking direct conversations with customers and prospects.

WE ORCHESTRATE LIVE, VIRTUAL, AND HYBRID EVENTS

Industry Events

Internal Events

Client-Hosted Events

Webinars

WHAT OUR CUSTOMERS SAY ABOUT REBOUND

“Alison’s feedback (post-event) was invaluable. Alison was focused on the full picture, able to look across the entire 2-day event and share lessons learned.”

— Event sponsor, Customer-hosted tech event

“Kristen and Jen, you are the ultimate professionals, pulling yet another rabbit out of a hat, in record time and while traversing huge gaps in plans. It’s an absolute joy working with the two of you!”

— Organizer, Customer Ad Board

“Any time I’ve emailed Susan to ask her to do something, she had already thought of it and done it. Thanks for everything. This is the smoothest event setup in my recent past.”

— Event strategist, MedTech event

“Carolyn is an excellent Event Manager plus she knew how to navigate the event, which was priceless. She got through things in an expedited way, which was such a time savings for me!”

— Event coordinator, Dreamforce
